2024 | 76.15%

HSC – Little Holy Angels Matriculation Higher Secondary School

2021 | 76.65%

SSLC – Little Holy Angels Matriculation Higher Secondary School

2019 | 64.6%

INTERNSHIP EXPERIENCE

Frontend Developer Intern – Ekhai

December 2025 – January 2026

- Developed and recreated responsive UI components using HTML, CSS, and JavaScript.
- Implemented layouts based on design requirements and improved user interface consistency.
- Performed UI testing and debugging to resolve layout and interaction issues.
- Contributed to iterative design improvements during development cycles.
- Gained exposure to frontend workflows and version-controlled development.

UI/UX Design Intern – One Yes Info Tech Solutions

April 2025 – May 2025

- Designed UI screens for a Library Management System using Figma.
- Created wireframes, dashboards, and interactive prototypes.

- Defined user flows for book issue, return, and admin operations.
 - Built reusable UI components ensuring design consistency.
-

PROJECT EXPERIENCE

SkillSwap – Peer Learning Platform (Major Project)

Technologies: HTML, CSS, JavaScript, Django, SQLite

- Developed a full-stack peer-to-peer learning platform enabling users to exchange skills.
 - Implemented user authentication, profile management, and skill-based connections.
 - Built an **Explore Feed** for users to share learning updates and discover skills.
 - Designed and integrated **real-time messaging system** for communication between users.
 - Created **skill exchange request system** with accept/decline workflows.
 - Developed **learning roadmap and progress tracking** features.
 - Implemented **user ratings, certificates, and profile analytics (views, posts, likes)**.
-

Restaurant Booking Website – Frontend Project

- Designed and developed a responsive restaurant booking interface using HTML and CSS.
 - Implemented table viewing and reservation flow layouts.
 - Focused on clean UI structure and user-friendly design.
 - Conducted basic UI testing for layout and interaction validation.
-

TECHNICAL SKILLS

Web & Programming: HTML, CSS, JavaScript (Basic), Python (Basic), PHP (Basic)

Frameworks: Django (Basics, REST APIs)

Databases: SQL (Basics), CRUD Operations, SQLite

Testing: Manual Testing (Beginner), Debugging, Test Case Understanding

Design Tools: Figma (Wireframes, Prototypes, Components)

Concepts: SDLC Basics, Requirement Analysis

SKILLS & STRENGTHS

Analytical Thinking | Problem Solving | Attention to Detail |

Willingness to Learn | Time Management | Team Collaboration | Adaptability

LANGUAGES

English, Tamil
